These people have checked my rule and chart:

1.

2.

3. Ask two other students to check your rule and your chart. Ask them to sign their names before you continue with step # 4 shown below.
4. Open a new Scratch Activity. Use the blocks below to create an IN/OUT BOX activity for your rule shown above. Some of these blocks may not be used in your activity. Some of these blocks may be used more than once. Test your script to be sure it works correctly.
